Annals of the American Thoracic Society: Notice to Subscribers and Contributors

ATS Membership: Subscription to the Annals of the American Thoracic Society® (AnnalsATS) is one of the benefits of membership in the American Thoracic Society (ATS). Further information is available from the ATS Office, 25 Broadway, 18th Floor, New York, NY 10004, or from the ATS website: http://www.thoracic.org.

Subscription Rates: For subscription information contact the ATS subscriptions department, 212-315-8687 or subscriptions@thoracic.org.

Mission Statement: To publish the highest quality research, commentaries, reviews, and educational content of interest to clinicians, clinical researchers, and medical educators in pediatric and adult pulmonary and sleep medicine and medical critical care. AnnalsATS is available online at http://www.atsjournals.org. The American Thoracic Society publishes the Annals of the American Thoracic Society® in furtherance of its educational and scientific purposes as a nonprofit and tax-exempt organization. All articles published in the Publication are subject to copyrights owned by the American Thoracic Society or other individual(s) or entity(ies). Reproduction of any article by any means without the express prior authorization of the American Thoracic Society is prohibited. The statements and opinions expressed in the Publication only represent those of individual author(s) and do not reflect the policies or opinions of the American Thoracic Society. Statements and claims concerning the effectiveness, quality, or safety of the products or procedures advertised in the Publication are solely those of the advertiser and do not represent any endorsement or approval by the American Thoracic Society. The American Thoracic Society assumes no responsibility for the content of the Publication and expressly disclaims all liability for any damages arising out of use, reference to, or reliance on the contents of the Publication.

Manuscripts: Contributors are requested to read the Instructions for Authors, posted on http://www.thoracic.org/journals/AnnalsATS/instructions-for-authors.php or obtained from the Peer Review Office upon request. Failure to follow these instructions may cause delay in publication. Manuscripts must be submitted online using ScholarOne at http://atsjournals.manuscriptcentral.com. Submission forms and copyright forms are to be downloaded at the same site and mailed, with original signatures to ATS Peer Review Office, John Hansen-Flaschen, M.D., Editor, Annals of the American Thoracic Society, 25 Broadway, 18th Floor, New York, NY 10004. If you have questions or encounter problems with online submission, please contact Marc Bendian, Peer Review Manager (mbedian@thoracic.org) or Fay Ling, Peer Review Technical Manager (fling@thoracic.org). Offprints may be ordered via the links that are e-mailed to corresponding authors in advance of publication.

Permission Requests: For permission requests, please contact the Publisher (dgern@thoracic.org) or permissions@thoracic.org. The ATS solely reserves the right to decline any request for any reason.

Reprints and E-prints: Requests for quotations for commercial reprints and e-prints will be provided based on the language and area of distribution. For English-language prints distributed in the U.S. and Canada, contact Hope Robinson from Sheridan Reprints at 800-635-7181 ext. 8065 or e-mail to hope.robinson@sheridan.com. For translated and English-language prints distributed outside the U.S. and Canada, contact the Publisher (dgern@thoracic.org) who will forward your request to an agent of the ATS. The ATS solely reserves the right to decline any request for any reason.

Advertisers: Rates will be furnished by Cunningham Associates (address listed on masthead). The publisher reserves the right to decline any advertising submitted. Billing directed to the advertising agency is approved on condition that the advertiser will accept full responsibility for payment if the agency does not remit within 90 days.

Journal Copyright Notice: Copyrights in the Journal and in all articles published in the Journal are owned by the American Thoracic Society or other individuals or entities. No part of this Journal or of any article may be reproduced, stored in a retrieval system, or transmitted in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, in whole or in part, without the prior written permission of the American Thoracic Society. For permission, contact Diane Gern, Publisher, dgern@thoracic.org.
