## NOTICE TO READERS & CONTRIBUTORS

ATS Scholar is published quarterly at 25 Broadway, 4th Floor, New York, NY 10004 by the American Thoracic Society.

The ATS publishes ATS Scholar in furtherance of its educational and scientific purposes as a nonprofit and tax-exempt organization. All articles published in the Journal are open-access and distributed under the terms of the Creative Commons Attribution. Non-Commercial No Derivatives License 4.0 (<https://creativecommons.org/licenses/by-nc-nd/4.0/>) unless the funder requests a different license. Further information is available from the ATS office American Thoracic Society (ATS), Church Street Station, P.O. Box 3421, New York, NY.

The statements and opinions expressed in the Journal only represent those of individual author(s) and do not reflect the policies or opinions of the ATS. The ATS assumes no responsibility for the content of the Journal and expressly disclaims all liability for any damages arising out of use, reference to, or reliance on the contents of the Journal. The authors, editors, or ATS are not responsible for errors or omissions of articles published in print or online from ATS Scholar or other associated ATS publications. Although great care has been taken in compiling the content of this publication, neither ATS or their servants are responsible or liable in any way for the currency of the information, for any errors, omissions or inaccuracies, or for any consequences arising there from. Approved product information should be reviewed before prescribing. The mention of any product, service, or therapy in this publication should not be construed as an endorsement of the products mentioned. It is the responsibility of the treating physician or other health care provider, relying on independent experience and knowledge of the patient, to determine drug dosages and the best treatment for the patient. Readers are advised to check the appropriate medical literature and the product information currently provided by the manufacturer of each drug to be administered to verify the dosage, method, and duration of administration, or contraindications. Readers are also encouraged to contact the manufacturer with questions about the features or limitations of any products. ATS assumes no responsibility for any injury or damage to persons or property arising out of or related to any use of the material contained in this publication or to any errors or omissions. Statements and claims concerning the effectiveness, quality, or safety of the products or procedures advertised in the Journal are solely those of the advertiser and do not represent any endorsement or approval by the ATS.

**Manuscripts:** Contributors are requested to read the Instructions for Contributors posted on (<https://www.atsjournals.org/journal/ats-scholar/instructions?>) or obtained from the Peer Review Office upon request. Failure to follow these instructions may cause delay in publication. Manuscripts must be submitted online using ScholarOne at (<http://mc.manuscriptcentral.com/atsjournals>). If you have questions or encounter problems with an online submission, please contact Fay Ling, Director, Technical Peer Review ([fling@thoracic.org](mailto:fling@thoracic.org)).

**Editor Submission Policy:** ATS Journal Editors and Editorial Board members are not prevented from submitting manuscripts to their own journals. However, they recuse themselves from review and decisions for authored works. For additional details, see our full policy [here](#).

## PERMISSION REQUESTS

For permission requests, please contact Diane Gern, Chief, Journals ([dgern@thoracic.org](mailto:dgern@thoracic.org)) or [permissions@thoracic.org](mailto:permissions@thoracic.org). The ATS solely reserves the right to decline any request for any reason.
