Reproduction of any article by any means without the express prior authorization of the ATS is prohibited. The statements and opinions expressed in the Journal only represent those of individual author(s) and do not reflect the policies or opinions of the ATS. The ATS assumes no responsibility for the content of the Journal and expressly disclaims all liability for any damages arising out of use, reference to, or reliance on the contents of the Journal. The authors, editors, or ATS are not responsible for errors or omissions of articles published in print or online from *AJRCCM* or other associated ATS publications. Although great care has been taken in compiling the content of this publication, neither ATS or their servants are responsible or liable in any way for the currency of the information, for any errors, omissions or inaccuracies, or for any consequences arising there from. Approved product information should be reviewed before prescribing. The mention of any product, service, or therapy in this publication should not be construed as an endorsement of the products mentioned. It is the responsibility of the treating physician or other health care provider, relying on independent experience and knowledge of the patient, to determine drug dosages and the best treatment for the patient. Readers are advised to check the appropriate medical literature and the product information currently provided by the manufacturer of each drug to be administered to verify the dosage, method, and duration of administration, or contraindications. Readers are also encouraged to contact the manufacturer with questions about the features or limitations of any products. ATS assumes no responsibility for any injury or damage to persons or property arising out of or related to any use of the material contained in this publication or to any errors or omissions. Statements and claims concerning the effectiveness, quality, or safety of the products or procedures advertised in the Journal are solely those of the advertiser and do not represent any endorsement or approval by the ATS.

Manuscripts: Contributors are requested to read the Instructions for Contributors, posted on http://www.atsjournals.org/page/AJRCCM/instructions_for_contributors. Failure to follow these instructions may cause a delay in publication. Manuscripts must be submitted online using ScholarOne at <http://atsjournals.manuscriptcentral.com>. Copyright forms should be downloaded at the same site and emailed to forms@thoracic.org. Authors are billed for submission fees at the time of the submission of a manuscript. The submitting author is charged \$75 per submission. Submission fees are not refundable. Please write to the Publisher if there is a hardship or special circumstances. If you have questions or encounter problems with online submission, please contact Marc Bendian, Associate Director, Peer Review/Editorial (mbendian@thoracic.org) or Fay Ling, Director, Technical Peer Review (fling@thoracic.org). Authors are billed for page charges at different rates depending on their ATS membership status. *AJRCCM* bills the corresponding author of an article for page charges at a flat rate of \$2,800 per article. Corresponding authors who are members of the ATS are charged a flat rate of \$1,900. Research Letters are charged at half of these rates. For information on membership please visit the Become a Member page at www.thoracic.org or contact subscriptions@thoracic.org or 212-315-8687.

Editor Submission Policy: ATS Journal Editors and Editorial Board members are not prevented from submitting manuscripts to their own journals. However, they recuse themselves from review and decisions for authored works. For additional details, see our full policy at <https://www.atsjournals.org/general/submitter-policy>.

Permission Requests: For permission requests, please contact Diane Gern, Publisher, at dgern@thoracic.org or permissions@thoracic.org. The ATS solely reserves the right to decline any request for any reason.

Reprints and E-prints: Requests for quotations will be provided based on the language and area of distribution. For English-language prints distributed in the U.S. and Canada, contact Amy Schriver from Sheridan Reprints at 800-635-7181 or e-mail amy.schriver@sheridan.com. For translated and English-language prints distributed outside the U.S. and Canada, contact the Publisher (dgern@thoracic.org), who will forward your request to an agent of the ATS. The ATS solely reserves the right to decline any request for any reason.

Advertiser: Rates will be furnished by Cunningham Associates (address listed on previous page). The publisher reserves the right to decline any advertising submitted. Billing directed to the advertising agency is approved on condition that the advertiser will accept full responsibility for payment if the agency does not remit within 90 days.
