Mission Statement: The *Annals of the American Thoracic Society* publishes original clinical, epidemiological, and health services research related to respiratory, sleep, critical care medicine, and population health. The journal also aims to educate pulmonary, sleep, and critical care providers about clinical care, and publishes commentary on public health, environmental health, global health, health policy, and medical education/training relevant to ATS members. AnnalsATS is available online at <http://www.atsjournals.org>.

The American Thoracic Society publishes the *Annals of the American Thoracic Society*® in furtherance of its educational and scientific purposes as a nonprofit and tax-exempt organization. All articles published in the Publication are subject to copyrights owned by the American Thoracic Society or other individual(s) or entity(ies). Reproduction of

any article by any means without the express prior authorization of the American Thoracic Society is prohibited. The statements and opinions expressed in the Journal only represent those of individual author(s) and do not reflect the policies or opinions of the ATS. The ATS assumes no responsibility for the content of the Journal and expressly disclaims all liability for any damages arising out of use, reference to, or reliance on the contents of the Journal. The authors, editors, or ATS are not responsible for errors or omissions of articles published in print or online from the *Annals of the American Thoracic Society*® or other associated ATS publications. Although great care has been taken in compiling the content of this publication, neither ATS or their servants are responsible or liable in any way for the currency of the information, for any errors, omissions or inaccuracies, or for any consequences arising therefrom. Approved product information should be reviewed before prescribing. The mention of any product, service, or therapy in this publication should not be construed as an endorsement of the products mentioned. It is the responsibility of the treating physician or other health care provider, relying on independent experience and knowledge of the patient, to determine drug dosages and the best treatment for the patient. Readers are advised to check the appropriate medical literature and the product information currently provided by the manufacturer of each drug to be administered to verify the dosage, method, and duration of administration, or contraindications. Readers are also encouraged to contact the manufacturer with questions about the features or limitations of any products. ATS assumes no responsibility for any injury or damage to persons or property arising out of or related to any use of the material contained in this publication or to any errors or omissions. Statements and claims concerning the effectiveness, quality, or safety of the products or procedures advertised in the Journal are solely those of the advertiser and do not represent any endorsement or approval by the ATS.

Manuscripts: Contributors are requested to read the Instructions for Authors, posted on <http://www.atsjournals.org/page/AnnalsATS/instructions> or obtained from the Peer Review Office upon request. Failure to follow these instructions may cause delay in publication. Manuscripts must be submitted online using ScholarOne at <https://mc.manuscriptcentral.com/atsjournals>. Effective January 1, 2025, all ATS journals will waive submission fees. Page Charges for *accepted* manuscripts are as follows: ATS members \$1,276; Non-members: \$3,776. Copyright forms are to be downloaded at the same site and emailed to forms@thoracic.org. If you have questions or encounter problems with online submission, please contact Marc Bendian, Associate Director, Peer Review/Editorial (mbendian@thoracic.org) or Fay Ling, Director, Technical Peer Review (fling@thoracic.org). Offprints may be ordered via the links that are e-mailed to corresponding authors in advance of publication.

Editor Submission Policy: ATS Journal Editors and Editorial Board members are not prevented from submitting manuscripts to their own journals. However, they recuse themselves from review and decisions for authored works. For additional details, see our full policy here.

PERMISSION REQUESTS

For permission requests, please contact the Publisher (dgern@thoracic.org) or permissions@thoracic.org. The ATS solely reserves the right to decline any request for any reason.

REPRINTS AND E-PRINTS

Requests for quotations for commercial reprints and e-prints will be provided based on the language and area of distribution. For English-language prints distributed in the U.S. and Canada, contact Amy Schriver from Sheridan Reprints at 800-635-7181 ext. 8065 or e-mail to amy.schriver@sheridan.com.

For translated and English-language prints distributed outside the U.S. and Canada, contact the Publisher (dgern@thoracic.org) who will forward your request to an agent of the ATS. The ATS solely reserves the right to decline any request for any reason.

ADVERTISERS

Rates will be furnished by Cunningham Associates (address listed on precious page). The publisher reserves the right to decline any advertising submitted. Billing directed to the advertising agency is approved on condition that the advertiser will accept full responsibility for payment if the agency does not remit within 90 days.
